RUBBER BOUNCY BALL 2" WITH LED LIGHTS

Ball Color – White

2-inch ball made with clear high bouncing plastic material and a colored light up center core. The center core is made with solid colors to make the logos really pop and has two red lights that blink for 10-15 seconds when the balls are bounced. The T-717 printed on the interior on the inner center core, but since the exterior layer material is clear – logos are easily seen and never come off!
